

PRODUCT ALERT

Date Issued: April 17, 2009

Product: All Kwikiee manual and electric steps

Issue Summary: Be advised that the use of an aftermarket product called "ADD-A-STEP" on any Kwikiee manufactured manual or electric step may severely damage or cause premature failure of the step.

Use of the "ADD-A-STEP" product on a Kwikiee manufactured step will void any and all warranty on the step.

Please contact Kwikiee Products if further information is required. Our Tech Support group can be contacted at 1-800-334-4712.
